MARKET WAS SLUGGISH.

New York, Aug. 21.—Disregarding the brilliant war news and home events of favorable import, today's stock market drifted idly in no very definite direction, duliness being relieved only at rare intervals by relatively wide movements in speculative issues.

The presence in this city of Secretary McAdoe was coincident with another advance in Liberty 3 1-2s to the high record of 102.06. This new maximum, resched on a very large turnover, compares with the year's minimum of 97.20.

Shippings were the active and strong features of the opening of vague reports of a consolidation of the leading American marine interests, but fell back abruptly following publication of authoritative denials.

Saragota, N. Y., Aug. 21.—The American running record for a mile, established at 1.35 1-2, twenty-eight years ago by Salvator, at Monmouth Park, N. J., was lowered here today by Roamer, who covered the distance in 1.34 4-5. The plucky gelding ran with ease and at no time was it necessary for Andy Schuttinger, his rider, to use the whip.

Carrying Salvator's old weight, 110 pounds, Roamer got away from a chute, and Lightning, a two year old stable mate, was sent to the post to pace him. But at the drop of the flag Roamer was galloping along at his best speed from a flying start and the pacemaker was far in the rear. His stride never shortened and for the entire distance he ran with apparent ease.

Roamer is a seven year old gelding, and is owned by Andrew Miller.

The world's record for a mile 1.33 1-5, was made by Calman, four years old, at Lingfield, England, in 1900.
